

# Knights of Veritas

Putting History in Your Hands!

## A Knight must...

- have the **Courage** to stand up for what they believe is right.
- show **Courtesy** to all, high and low, in all places, at all times.
- develop their personal **Prowess**, that they may be ready to defend what they believe in.
- view their deeds with **Humility**, always giving credit to those around them first, and entrusting their own renown to the words of others.
- strive for **Justice**, defending the innocent and the values of truth and nobility, and placing others' interests before their own with a merciful heart.
- have **Faith** in their ideals and not surrender to the misdeeds of others.
- demonstrate **Loyalty** to others, keeping those close to them and their interests safe.
- bestow **Generosity** within their means, through their goods, their time, and their spirit.
- embrace **Honor** by conducting themselves in a noble, knightly manner at all times and leading by example.
